KHOSI READY TO FLY SA FLAG ON HORSEBACK

● Rising star off to Middle East tent pegging championship

Teenager Makhosazana “Khosi” Dlomo is set to embark on a groundbreaking journey as she represents SA at an international tent pegging competition in Jordan this week.

Khosi, 18, is not only a rising star in the world of equestrian sports, but also the sole black female rider in the unique and challenging sport of tent pegging.

Her passion for tent pegging ignited at a friend’s birthday party in 2013. With each horseback ride sparking a deeper interest, she quickly transformed this newfound hobby into a lifelong passion.

Growing up in KwaZulu-Natal, Khosi began competing in local competitions by age nine. Her resilience and skill soon led her to represent her province and eventually earn a spot on the SA under 15 girls team in 2021.

Last year, Khosi’s leadership qualities shone as she captained the prestigious KwaZulu-Natal under 21 team. “This sport isn’t just a hobby, it’s where I find peace, joy, and connection. Horses have taught me patience, resilience and humility,” she said.

Khosi Dlomo will represent SA at a Tent Pegging championship in Jordan.

“My tent pegging journey began in an unexpected way – a friend’s birthday party in 2013. At first I thought highlight of the day would be the cake, but little did I know that climbing onto the back of a horse would spark a lifelong passion.

That day, something clicked. After a few wobbly attempts at staying upright, I

This sport isn’t just a hobby, it’s where I find peace, joy, and connection

was hooked. I begged my mom relentlessly to take me back to that place, and when she finally gave in, my journey truly began. From that moment, I never looked back.”

During Covid, when equestrian sports faced a pause, Khosi used the time to refine her skills in dressage, further broadening her horsemanship.

The seven-nation Aqaba International Beach Tent Pegging Championship takes place from Wednesday until Saturday in Jordan. – Sowetan Reporter

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
